## Prosopography of Individuals delivering animals to Puzrish-Dagan in Ur III Mesopotamia:

### Appendix - Prosopographical Statistics

Changyu Liu

The following is an appendix of my published article (“Prosopography of individuals delivering animals to Puzriš-Dagan in Ur III Mesopotamia,” *Akkadica* 142/2, 2021, pp. 113-142), and a prosopographical statistics of the individuals delivering animals to the Puzrish-Dagan organization based on 905 Ur III Drehem administrative documents. They are arranged by their titles or identities and the ones without titles in alphabetical order. For example, “A-hu-ni dumu lugal (AS1-SS5, 124) AUCT 2 40, BIN 3 224, AUCT 3 213, CST 434” refers to *individual (date, sum of animals) reference(s)*. “OIP 121 101 = Amorites 18” refers to the texts OIP 121 101 and Amorites 18 are duplicated.

## Prosopography of Individuals delivering animals to Puzrish-Dagan in Ur III Mesopotamia:

### Appendix - Prosopographical Statistics

Changyu Liu

The following is an appendix of my published article (“Prosopography of individuals delivering animals to Puzriš-Dagan in Ur III Mesopotamia,” *Akkadica* 142/2, 2021, pp. 113-142), and a prosopographical statistics of the individuals delivering animals to the Puzrish-Dagan organization based on 905 Ur III Drehem administrative documents. They are arranged by their titles or identities and the ones without titles in alphabetical order. For example, “A-hu-ni dumu lugal (AS1-SS5, 124) AUCT 2 40, BIN 3 224, AUCT 3 213, CST 434” refers to *individual (date, sum of animals) reference(s)*. “OIP 121 101 = Amorites 18” refers to the texts OIP 121 101 and Amorites 18 are duplicated.
